WASHINGTON, DC (June 23, 2008) – The US Business Leadership Network (USBLN®) today announced its breakout sessions and speakers for its 2008 conference. The Annual Conference & Career Fair, “Expanding Inclusion: The Business Strategy” is the preeminent national event for business, community leaders and BLN chapters that have an interest in hiring, retention and marketing to people with disabilities.

The 2008 conference includes Concurrent Educational Sessions on --

- **Diversity, Disability & Corporate Culture** – Learn how to change corporate culture by expanding diversity and including disability in the workforce.
- **Hidden Disabilities and the Workplace** – What’s a hidden disability? Learn how to work with employees with “hidden” disabilities to harness their full potential.
- **Tapping into Talent: Veterans, Older Workers and More** – These sessions will assist employers in providing returning veterans the opportunity to reenter the workforce and retain our aging workforce that experiences disability and desire to remain in the workforce.
- **Emerging Practices & Technology** – Learn from your peers on emerging practices & technology for engaging employers, creating opportunities and enhancing productivity.
- **Youth Employment Development** – Learn how to proactively recruit and retain students in internships, mentoring programs and career opportunities.
- **JAN SuperTrack** – Job Accommodation Network (JAN) SuperTrack will include trainings designed to effectively increase participants' practical knowledge and skills regarding reasonable accommodation solutions and the Americans with Disabilities Act (ADA). JAN is the nation’s premiere resource for building your inclusive workplace!
